Chapter 1

Introduction

1.1 Motivation

Start everyday with at least 5 minutes of **powerful energy**. 5 minutes of positive energy first thing in the morning can change your entire day. And if you can change your entire day with consistent positive thoughts you can change your entire life. *Start everyday with at least 5 minutes of powerful energy. 5 minutes of positive energy first thing in the morning can change your entire day. Listing

3.1 Numbering

1. Electrical Engineering
 - (a) Power System Engineering
 - i. Generation
 - ii. Transmission
 - iii. Distribution
 - (b) Renewable Engineering
2. Computer Engineering
3. Civil Engineering
4. Electronics and Communications Engineering

3.2 Listing using bullet

- Electrical Engineering
 - Power System Engineering
 - * Generation
- Computer Engineering
